To: All Property Owners on Zorra/East Zorra-Tavistock Line

A recent delegation to the Townships of Zorra and East Zorra-Tavistock requested a name change of your current road. Reasons cited for the request included frustration over the long road name; difficult for couriers and emergency services to locate properties; confusion over both township names on signage; and Canada Post does not recognize the current name.

Councils of Zorra and East Zorra-Tavistock have agreed to investigate changing the name if the majority of property owners are in agreement. Please provide your decision below, sign and date, and return in the self-addressed, stamped envelope **by March 31, 2024**. If you choose not to respond, please be aware that a change may proceed in absence of your input.
